Authorization and Request to Honor Pre-Authorized Checks or Electronic Debit Entries initiated by the Paul Goebel Group.

For my benefit and convenience, I hereby authorize the Paul Goebel Group to initiate recurring entries to my account listed below in the form of pre-authorized checks or electronic debit entries and I further request and authorize the financial institution (Depository) names below to honor and accept said checks or debit entries and charge them to my account to pay insurance premiums. This authorization shall also extend to adjustments for an incorrect debit in the amount to pay previous entry, but I elect to receive such notice only when such entry differs from the previous entry by more than \$200.00. I may stop payment of any entry or revoke this Authorization by meeting the requirements of Depository or notifying the Paul Goebel Group in writing if I allow them a reasonable opportunity to act on said notice. After my account has been charged I understand that I have the right to have any erroneous entry recredited to my account provided I send written notice of such error within 15 days after issuance of my statement or if sooner, 45 days after the posting of the entry. I understand there will be a \$25.00 service fee charged for any check, automatic withdraw or credit card transaction, received by the Paul Goebel Group as payment on my account, returned unpaid or unauthorized by my financial institution.

I hereby certify I am authorized to sign on the account and to withdraw funds from it.
